MYLES GILLARD

 A dedicated and adaptable developer with a passion for building high-quality, interactive experiences. My background combines deep technical skill in game engines with proven project leadership and a collaborative mindset.

Core Competency: Highly proficient in development using **Unity** and **C#** to create engaging video games and applications.

Technical Versatility: Hands-on experience with a plethora languages (**C#**, **C/C++**, **Python**, **SQL**, **JavaScript**, **HTML**, **CSS**, **Jinja2**), and frameworks (**.Net**, **Django**, **Flask**) and software (**Git**, **Maya**, **Blender**, **Photoshop**, **GIMP**, **Krita**)

Agile Leadership: Proven success in leading small-scale productions and workflows in an Agile framework, responsible for project management, meeting deadlines, and collaboration between teams.

Professional Acumen: Exceptional communication, teamwork, and analytical skills honed in deadline-driven environments with a focus on achieving KPIs and delivering high-quality results.
